## Objective

Advisors and liaisons represent key stakeholder groups that may be affected by an emergency event who may require particular support or engagement.

# Advisor Tasks

## Immediately

1. RSVP to Primary Care Coordinator's text message – attend teleconference and briefing at EOC if able.

   *What is the scale of the emergency, what is the planned response?*

## Once at EOC

1. Check in with the Primary Care Coordinator or EOC Coordinator.

## Daily

1. Assist with developing appropriate response options.
2. Prepare handover report as situation warrants.
3. Communicate with stakeholder groups as required.

## Ongoing

1. Engage with stakeholders.
